

# HAITI CHILD SPONSORSHIP PROGRAM

*Give the equivalent of treats or coffee for a child. Save your recycled cans and milk jugs money! It's amazing what a little can do.*

*Sponsor a child for a year for only \$170.00*

*OR*

*Sponsor a High School student for \$335.00*

This covers their tuition, books, school uniform and some other necessities. Because of this program, students have been able to go to university and secure jobs.

We endeavor to send pictures of your child but sorry, no letters due to personnel shortage.

Donations may be made through your local church or the missions treasurer:
